OBJECT

Teams will follow a marked course through Ward Pound Ridge Reservation. There will be five stopping points on the way where one member from each team picks up a playing card. Upon completion, each team will turn in their "poker hand" to the officials. The hands will be revealed after all teams are back from their ride.

Teams with the best hands will be awarded prizes. There is the opportunity before the ride to purchase a wildcard to help your hand. This is not a timed ride. So enjoy!
